## CERNYSMITH COACH CERTIFICATION TRAINING

**THE CSA:** The **CernySmith Assessment (CSA)** has become the leading tool in helping discover and evaluate areas of stress and roadblocks to adaptation and change. It helps reduce attrition by allowing for early detection of stress and challenges, which enhances productivity and effectiveness. The CSA is an online assessment that measures stress in 5 major areas: Organizational, Cultural, Relational, Resilience, and Foundational. The CSA is available in three different formats: **CSA**, **CSA-M Military**, and **CSA-S Student**. The online assessment is fully automated, easy to use, and comes with a personalized report that is available immediately after completion.
